CORRESPONDENCE.

MORGAN COUNTY.

Maytown Missiles.

We are glad to report the sick of our town improving.

The ground hog has had a few days pretty rough weather, but he will stay out all the same.

R. A. Childers and his efficient clerk, Miss Flo, are now as busy as bonnet makers measuring calico.

Mrs. James Neff and her sister, Mrs. Mollie Cecil, of Stillwater, are visiting the family of their uncle, W. P. Sample.

Prof. J. L. Thomas has moved to Harry Little's, in Menefee county. By the way, he has made a start on the Masonic road.

County Attorney I. W. Rose, of West Liberty, was in town two days last week. Did not learn his business. Perhaps the widow on the corner could tell.

From some cause, Rev. Tyler did not get to his appointment Sunday. Rev. J. P. Lockhart filled the 11 o'clock appointment and Dr. J. W. Kendrick the night appointment. WINELESS.

Ezel Evolutions.

Call court the 10th inst., at Esq. Murphy's.

Rev. Wm. Yocum preached in town Sunday.

Miss Ellen Welch is very low with consumption.

Emery Carr sold to Eli Cock a fine horse last week.

J. M. Henry, who has been sick for some time, is now better.

Harry Maupin, the dry goods man, remained in town over Sunday.

A phrenologist visited our town last week and gave an interesting exhibition.

Lewis Henry and wife, of Caney, visited Mrs. Dus Pieratt Saturday and Sunday.

County Attorney I. W. Rose, of West Liberty, was over at Squire Murphy's court.

An entertainment will be given at the close of our school on the 11th of March.

Hazard Downing, the boss cattle buyer, was transacting business in town last week.

Dev. Dunegan, of Maytown, is attending a writing on the Long branch, near Ezel.

C. C. Maxey and wife, of West Liberty, are visiting Mr. and Mrs. E. B. Pieratt, of this place.

Willie Perry, a hustling drummer representing the Paris Grocery Company, was in town this week. DE JESSIE.

West Liberty Notes.

Quite a number of rafts went down Licking river last week.

Ten new pupils enrolled at the select school being taught by Jas. H. Swango, of your place. The school is prospering nicely.

Jonce Williams, who escaped from jail here last fall, was captured by Sam Dennis in Ohio and lodged in jail here last week.

Rev. J. S. Adams and wife have returned from Frankfort. Uncle Jonce thinks his chances for chaplain of the penitentiary not gilt edge.

Desha Breckinridge, son of W. C. P. Breckinridge, in company with other revenue men, was here last week and destroyed several illicit stills.

Quite a compliment was passed on Hazel Green by a West Liberty attorney a few days ago. He observes that every town in the mountains has developed a craze for something, be it good or bad. For instance, he says, West Liberty is a drummer's town. We have eight "knights of the grip" and many more would be ones. At Salyersville everybody wants to be a bully and a braggart, notwithstanding their young men are well informed on all current issues. At Jackson, he continued, they are out for filthy lucre in-

stead of blood as formerly. At Martinsburg everything is a dead game sport and gamble for all that's out. Beattyville is a town of "blind tigers" and Campton a necktieless town of horse swappers. Ezel, he continued, is pious and her religious fanatics are as thick as thieves in Damascus. Hazel Green takes life philosophically. Education is the watchword and it is fast telling on this section of country. Your writer wishes every town may take the educational craze. X. Y. Z.

Only a Scar Remains

Scrofula Cured—Blood Purified by

Hood's Sarsaparilla.

"C. I. Hood & Co., Lowell, Mass."

"It is with pleasure that I send a testimonial concerning what Hood's Sarsaparilla has done for my daughter. It is a wonderful medicine and I cannot recommend it too highly. Sarah, who is fourteen years old, has been

Afflicted With Scrofula

ever since she was one year old. For five years she has had a running sore on one side of her face. We tried every remedy recommended, but nothing did her any good until we commenced using Hood's Sarsaparilla. My married daughter advised me to use Hood's Sarsaparilla because

Hood's Sarsaparilla Cures

it had cured her of dyspepsia. She had been troubled with that complaint since childhood, and since her cure she has never been without a bottle of Hood's Sarsaparilla in the house. We commenced giving it to Sarah about one year ago, and it has conquered the running sore,

as a trace of the dreadful disease. Previous to taking the medicine her eyesight was affected but now she can see perfectly. In connection with Hood's Sarsaparilla we have used Hood's Vegetable Pills, and find them the best." Mrs. MARIA GRIFFIN, Xenia, Illinois.

Hood's Pills cure nausea, sick headache, indigestion, biliousness. Sold by all druggists.

MRS. SARAH E. ROSE.

The sad angel of death has again

visited our village and taken from

our midst one of our neighbors and

friends whom we had learned to

love, and while on her bed of af-

liction we spent so many hours

with her and ministered to her

wants. She was so kind and pa-

tient to all while she was sick,

which was a long time for one to

suffer, but she will never suffer

more. God smiled on her and

taken her up higher where she can

sing songs of praise to His name

through ceaseless ages, for she

loved singing. While on her dying

couch she sang a song by herself,

and wanted those around her be-

side to sing right on. But she is

still singing and mingling with her

friends that she saw on the other

shore awaiting her, and relatives

that are left may they be comfort-

ed by her last words that she was

going to Jesus, and may God be

with her sorrowing husband and

her little boy, Charley, and may

her spirit be a guiding star for us

all is the prayer of one who knew

and loved her. L. A. N.

Deafness Cannot be Cured

by local applications, as they can-

not reach the diseased portion of

the ear. There is only one way to

cure Deafness, and that is by con-

stitutional remedies. Deafness is

caused by an inflamed condition

of the mucous lining of the Eus-

tachian Tube. When this tube

gets inflamed you have a rumbling

sound or imperfect hearing, and

when it is entirely closed Deafness

is the result, and unless the inflam-

mation can be taken out and this

tube restored to its normal condi-

tion, hearing will be destroyed for-

ever; nine cases out of ten are

caused by catarrh, which is nothing

but an inflamed condition of the

mucous surfaces.

We will give One Hundred Dol-

lars for any case of Deafness

(caused by catarrh) that cannot

be cured by Hall's Catarrh Cure.

ACADEMY NOTES.

Hobble, gobble, razzle, dazale,
Clia, boon, ah!
Academie, we're out of sight,
Rah, rah, rah!

Nine new matriculates this week.

The best attendance in the history of the school.

More boarders are at the academy home than any time since it was built.

Some twelve or more pupils are boarding with their kinsfolk in or near town.

Quite a number of boarders spent Saturday and Sunday at their homes.

Quite a number have already written, saying they would enroll within a month.

Several pupils have been contending with the "la grippe," but none has staid within his "grip" more than three days.

The work of the Utile Dulci and Haut et Bon societies is up to the best of such work, and much interest is manifested by many of the members.

Every pupil from a distance should subscribe for THE HERALD and send it home, that friends might know something of what's going on.

Two Christian preachers from Breathitt county are arranging to move to Hazel Green and enter school in the fall. Verily, this may become a "school of the prophet."

On the evening of March 13, a debate will be held in the chapel by Messrs. Williams, Swango, Gullett and Nickell, affirmative; and Messrs. Atkinson, Gevedon, Mize and DeBusk, negative.

ACADEMITE.

If you are indebted to this office on subscription, job work or advertising, you will oblige us very much by coming to the Captain's office and paying your dues. We need a little of the filthy lucre about as bad as a hobo does a meal's victuals at times, and your promptness will relieve our distress and be forever appreciated. Never mind the rush. Come on and we'll try and attend your wants.
